

STAINLESS STEEL WALL END GUARDS

- *SATIN finish stainless steel
- *TYPE 430 grade
- *22 & 18 ga. material
- *PVC removable protective coating
- *All edges deburred corners rounded

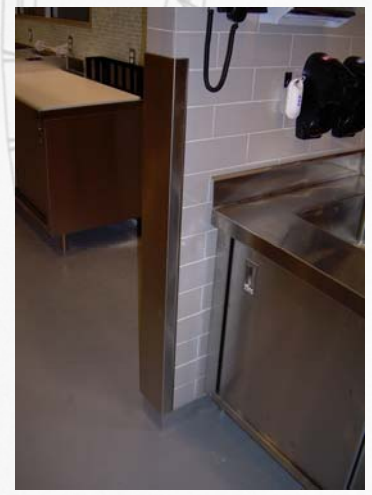

INCLUDES: adhesive for fastening

U-SHAPE GUARDS provide protection at sheet rock, block or vinyl wall corners or ends. Typically located in areas where traffic is limited to shopping carts, employees and customers.

Designed for protection with an appearance upgrade.

Also available **304 & 316 L grade** stainless steel available for more corrosive applications. Out door or vestibule area, pharmaceutical or exposure to salt or chemicals conditions.
